

## Reinsurance Partners Equal Financial Stability:

American Capital's (AmCap) commitment to policyholders extends to the quality of reinsurance companies we partner with to back the company's growing surplus. AmCap and its reinsurance partners share the promise to deliver on the commitment and service you expect from a highly-regarded insurance carrier.

Our company works only with the best reinsurers to make certain its surplus—built through steady, conservative reinvestment—is protected. We have strong relationships with our reinsurers, all of which are rated A- or higher by A.M. Best Co., one of the industry's leading independent rating organizations.
